Did you cancel the Alina visit Friday? I just got a reminder text. Please let me know if you plan to reschedule.

Yes, you can reschedule for after birthdays and take them when it works for you. Could I do the next one?

Also, could you upload the Park Nicollet files and progress notes from the visit to OFW for our reference afterwards?

Exhibit K2

Ya. I'm almost positive for insurance well child visits are only covered after their birthday but I could be wrong.

Friday I won't be able to go. I have to work. I would like to be there. Can we schedule a different day?

We will just have to sign an roi and then can contact park nicollet to get the records.

I have their well-child visit scheduled for them next Friday AM. Dr Robert Marshall  
The Allina pediatric office clinic is in Maple Grove, and same-day appointments seem easy.  
Allina Plymouth Urgent Care is 24/7 and I'd expect records to be shared.

We should get their records gathered from Health Partners and previous providers prior to the visit.

Let me know if that works for you.
